A DIGITAL GUIDE

A step by step guide
to getting a new
membership to
SATP & SATP's Green
Room. Created
November 2022.

Introduction

In 2022 we created a brand new digital platform for our members to grow, create and thrive in and that's where our memberships now live.

This platform, SATP's Green Room, is a place to show up, receive, and give back. Through the Green Room, we aim to develop a thriving vocational performing arts community in Saskatchewan.

Why become a member? Because you care about the health, vibrancy, and success of theatre & performing arts in Saskatchewan. SATP is constantly advocating for the live performing arts industry as we build better structures, best practices through the creative industry, and offer potential opportunities for partnerships and networking opportunities.

Sign Up Guide

By becoming a member, you not only gain access to potential benefits, you are also engaging in a vibrant community of performing artists.
